

# Raise your hand for education. Count your child.

**The 2020 Census can shape your community:  
A new school to ease overcrowded classrooms.  
A new road to ease overcrowded commutes.**

Answering questions on the 2020 Census will help move money to educational programs that benefit our children, like after-school activities, school meal programs, and Head Start.

By April 1, 2020, every home will be invited to answer the 2020 Census questions. You will have three ways to do this:

1. Online (you can use your mobile device).
2. By phone.
3. By mail.

The Census Bureau does not share any personal information.

**Have questions or need more information? Visit: [2020CENSUS.GOV](https://2020CENSUS.GOV)**

There are no citizenship questions asked in the 2020 Census.  
*Postcard reminders will arrive in homes in mid-March.*
