

**They can make
a difference.
It starts with you.**

**The 2020 Census can shape your community:
A new school to ease overcrowded classrooms.
A new road to ease overcrowded commutes.**

Help shape your pre-teen or teenager's future by counting them in the 2020 Census. Answering the questions will help move money to educational programs that benefit our children, like after-school activities and school meal programs, and federal funding for when you start planning for college.

By April 1, 2020, every home will be invited to answer the 2020 Census questions. You will have three ways to do this:

1. Online (you can use your mobile device).
2. By phone.
3. By mail.

The Census Bureau does not share any personal information.

Have questions or need more information? Visit: 2020CENSUS.GOV

There are no citizenship questions asked in the 2020 Census.
Postcard reminders will arrive in homes in mid-March.

**SHAPE
YOUR
FUTURE**
